LADYBUG, LADYBUG, HOW DOES YOUR GARDEN GROW?

Improve Yours at The Pinellas Living Green Expo.

The Pinellas Living Green Expo returns to Clearwater's Harborview Center with just about everything you'll need to know to get the biggest yields of the best fruits and vegetables a Florida Summer can grow. The popular event, now in its' 4th year, is **FREE** and will be open to the public on Saturday May 2nd and Sunday May 3rd.

The list of exhibitors and vendors has grown to more than 130 and **Expo** guests will be able to learn about the most cost effective and environmentally responsible methods of creating a more sustainable way of living here on Florida's West Coast.

The **Expo** brings two experts to the "garden party". Radio and Television personality Mr. GreenThumb, Stan DeFrietas, will conduct one of his popular gardening seminars... and EXPO attendees are invited to bring a soil sample for a free analysis.

Also on the agenda, Pam Brown... retired Pinellas County Extension agent, takes from composting to the Fall Harvest. And... you'll find composting isn't as hard as you might imagine. In addition, Pam has some helpful tips on getting the most from your garden. Don't throw away, grow away!

The theme of the **Pinellas Living Green Expo** is *Save Money... Save the Environment*. And, in these uncertain economic times, it has never been more important to make sure we are preserving our dwindling natural resources and moving our society towards sustainability.

The Pinellas Living Green Expo will be open from 9am - 5pm on Saturday... and from 10am - 4pm on Sunday. The HarborView Center is located at 300 Cleveland St. in Clearwater. **Admission is FREE! Parking is FREE!** Come spend the day with us.
